

JOIN THE MISSION: A cooperative council for ALL art forms

FELLOW CREATIVES + FRIENDS

VCC fosters artistic growth, connects artists to resources and nurtures a vibrant cultural scene in Valparaiso and beyond.

At the Valparaiso Creative Council (VCC), we believe that art is for everyone—and that creativity builds a stronger, more connected community. Thanks to supportive community members like you, we've brought color, conversation, and culture to the streets and hearts of Valparaiso.

WE INVITE YOU TO JOIN US IN MAKING 2026 OUR MOST CREATIVE YEAR YET!

JOIN A COMMITTEE

Lend your skills to fundraising, event planning, programming, public art, marketing, and more by being more fully involved in our mission. With the list of events on our calendar, there's sure to be a committee that calls to your area of strength! We'd love to chat further with you.

GROW OUR NETWORK

We want to further develop our network and creative circle to include new members or talent! Be a connector and recommend a future board member or connect us to artists you know. This helps us expand our net outward into sectors that are beneficial to our growth and how we serve our community.

As a grassroots nonprofit organization, we support and celebrate local artists of all disciplines, produce inclusive public art and events, and cultivate community through creativity. Your support helps us expand offerings and increase access to the arts while investing in the people and places that make Valparaiso vibrant. This year we found a new physical space downtown and offer it as a multi-use hub for all creatives!
